- Press the button again to shut the vehicle off
- Hill Start Assist
- Electronic Limited Slip Differential
 - Electronic Limited Slip Differential uses vehicle sensors and driver inputs to determine the optimum amount of engagement for driving conditions
 - Optimizes torque split between the rear wheels that provides a precise steering feel, enhanced stability and maximum traction through corners
- Performance Traction Management
 - Integrates Traction Control, StabiliTrak®, Magnetic Ride Control™, and electronic limited-slip differential systems to provide competition-spec traction and stability controls
 - Automatically activated through Track Drive mode and includes 5 control modes specifically designed for track driving: Wet, Dry, Sport 1, Sport 2 and Race

>

- Rear axle, 2.85 ratio
- Rear-wheel drive
- Extra capacity cooling system
 - V-Series models come factory-equipped with cooling needed for track performance
 - Helps keep operating temperatures in check to maintain optimal performance
- Battery, maintenance-free with rundown protection
- Recovery hook, front
- V-Series tuned Magnetic Ride Control™
 - Real-time suspension damping system that delivers responsive, precise body motion control
 - Sensors "read" the road up to 1000 times per second
 - Enables the system to change chassis damping almost instantly for enhanced ride and handling in a variety of road surface conditions
- Suspension, Performance
- ZF electric power steering
 - Electronic, variable-assist forward rack-mounted ZF steering gear provides precise feel with the perfect amount of effort
 - The system delivers great on-center precision and confident performance at higher speeds
- Brembo® front high performance brakes
 - Track capable staggered 6-piston front calipers, 4-piston rear calipers provide precise and consistent braking performance
 - Duralife rotors include Ferritic Nitro Carburizing (FNC), which makes the rotors corrosion-resistant
 - High performance brake linings for superior fade resistance and confidence-inspiring pedal feel on and off the track¹

¹ Vehicles equipped with these brakes have high performance brake linings that will experience faster accumulation of brake dust on wheel surfaces and may produce more noise than with standard linings.

- Brembo® brake calipers, Gray Standard Gray painted six-piston front brake calipers and four-piston rear brake calipers add a customized appearance.
- Performance brake linings¹
 - Increased performance and fade resistance under extreme driving conditions (non-public roads, race conditions)
 - A specific design to handle heat and resist brake fade

¹ Vehicles equipped with these linings will experience faster accumulation of brake dust on wheel surfaces and may produce more noise than with standard linings.

- Electronic parking brake
 - Takes the place of the manual foot actuated parking brake
 - Activated by the simple touch of a button and can be operated even when the ignition is turned off
- Exhaust, stainless steel quad
- Locking Fuel filler door Fuel door has a lock tied into the vehicle's locking system to prevent unauthorized access to a vehicle's fuel tank preventing fuel tampering. The locking fuel door automatically locks when the doors are locked.

INTERIOR

- Cadillac user experience with embedded navigation
 - 8" diagonal multi-touch color screen with embedded navigation¹ with 3-D graphics, gesture recognition, haptic feedback, personalized profiles for each driver's settings, proximity sensing reveal-on-approach, and Enhanced Voice Recognition technology
 - Bose® 13-speaker Centerpoint® Surround Sound® audio system
 - Collection
 - Teen Driver
 - Phone Integration for Apple CarPlay™² and Android Auto™²
 - 3 USB ports³ and auxiliary input jack for connecting portable media devices

¹ Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico and Canada.

² Vehicle user interface are products of Apple® and Google® and their terms and privacy statements apply. Requires compatible smartphone and data plan rates apply.

³ Not compatible with all devices.

- Bose® 13-speaker Centerpoint® Surround Sound®
 - Bose® 13-speaker Centerpoint® Surround Sound® system for a theater-like listening experience
 - Bose Active Noise Cancellation reduces unwanted low frequencies created by engine, transmission and other powertrain components for a quieter in-cabin experience

- SiriusXM® Satellite and HD Radio
Welcome to the world of SiriusXM®¹.

- Enjoy your 3-month trial subscription to the All Access package with over 150 channels including commercial-free music, plus sports, news and entertainment
- Plus, listen on the app and online - it's included with All Access, so you'll hear the best SiriusXM has to offer, anywhere life takes you

¹ If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call us at 1-866-635-2349. See our Customer Agreement for complete terms at www.siriusxm.com (<http://www.siriusxm.com>). All fees and programming subject to change. ©2016 Sirius XM Radio Inc. Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc. All rights reserved.

- Bluetooth® for phone/audio with Natural Voice Recognition
 - Pair up to 10 Bluetooth®¹-enabled devices to your vehicle's Cadillac CUE®² and enjoy hands-free phone conversations or streaming audio connectivity
 - Natural Voice Recognition - allows you to place or answer a phone call or find and play audio tracks without taking your hands off the wheel, or your eyes off the road

¹ Go to my.cadillac.com/learn (<https://my.cadillac.com/learn>) to find out which phones are compatible with the vehicle.

² Cadillac CUE functionality varies by model. Full functionality requires compatible Bluetooth® and smartphone. Some devices require USB connectivity.

- Wireless Charging
 - Wireless Charging¹ uses induction technology for portable electronic devices
 - Charging location – in the Cadillac CUE®² hidden storage bin

¹ The system wirelessly charges one PMA- or Qi-compatible mobile device. To check for phone or other device compatibility, see my.cadillac.com/learn (<http://my.cadillac.com/learn>).

² Cadillac CUE functionality varies by model. Full functionality requires compatible Bluetooth® and smartphone. Some devices require USB connectivity.

- OnStar® 4G LTE Provides built-in Wi-Fi hotspot to connect to the internet at 4G LTE speeds.¹ Includes 3GB or 3 months OnStar Data Trial (whichever comes first).¹ Visit www.onstar.com (<http://www.onstar.com>) for coverage map, details and system limitations. Services vary by model. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. Available Wi-Fi requires compatible mobile device, active OnStar service and data plan. Data plans provided by AT&T.

- Antenna, integral front and rear
- Seats, 20-way performance driver and front passenger
 - 20-way performance driver and front passenger
 - Provide exceptional driver comfort and support
 - Driver and front passenger power-adjustable seat back bolster and manual cushion length adjustment
- Seat trim, leather with sueded microfiber inserts and seatbacks
- Seat adjusters, driver and front passenger 8-way power

- 8-way power includes fore/aft, up/down, cushion tilt and recline
- The seat also includes 4-way power lumbar support and 4-way adjustable head restraints
- Seat adjusters, driver Get a more customized seat fit that helps provide additional support.
 - Manual cushion length adjuster
 - Power side bolster adjuster
 - Recaro® performance seats do not include manual thigh support
- Seat adjusters, front passenger Get a more customized seat fit that helps provide additional support.
 - Manual cushion length adjuster
 - Power side bolster adjuster
 - Recaro® performance seats do not include manual thigh support
- Heated front seats
 - Three levels of heat are available to warm the seat cushion and back
 - Press the heated seat button once for the highest setting
 - With each press of the button, the seat will change to the next lower setting, and then to the off setting
- Ventilated front seats
 - Separate buttons on the climate control panel allow you to choose from 3 levels
 - Airflow from the ventilated seats helps keep you feeling fresh, relaxed and alert
 - Requires 20-way performance front bucket seats
 - Not available with Recaro® performance seats
- Rear seat with fixed seatback and lockable rear pass-through access door
 - Use the pass-through door for storing longer items
 - Includes fold-down armrest with storage and cup holders
 - The locking feature helps secure your trunk when you are not using the door
- Console, front floor with armrest and covered storage
- Armrest, front center
- Armrest, rear center with cup holders
- Cup holders, 2 in front console, 2 in rear armrest
- Power outlets, 2 auxiliary
- Floor mats, carpeted front and rear
- Illuminated sill plates
 - Front
 - V-Series badging
- Steering column, power, tilt/telescoping
 - At the press of a button, adjust your steering column within reach from your preferred seating position
 - The driver memory can be used to manually save and recall memory settings for the power tilt and telescoping steering column
- Steering wheel, leather, sport
- Heated steering wheel
 - Press a button on the steering wheel to quickly warm the wheel to the perfect temperature
 - Helps eliminate the need for gloves for cold weather driving
- Magnesium Paddle Shift Controls
 - Controls mounted on the steering wheel allow drivers to shift without a clutch
 - Provide automatic transmission convenience with the feel of manual transmission control
- Sport alloy pedals Designed to enhance the interior appearance of your CTS-V.
- Full-Color Reconfigurable Head-Up Display
 - Projects vehicle information onto the windshield just below the driver's line of sight to help keep your eyes on the road
 - Can select which information to show, as well as adjust the vertical position and brightness of the display
- Cluster, 12.3" fully reconfigurable, high definition display

- Replaces traditional analog gauges with high definition fully reconfigurable cluster layouts
- Three persona's allow the driver to select the desired amount of vehicle and other information to be displayed
- Choose from 3 different themes: Enhanced, Balanced and V Performance
- Windows, power with front and rear express-up and down with passenger lockout feature
- Door locks, power programmable with lockout protection
- Remote Keyless Entry
- Keyless Access with push-button start
 - Open your door and start your vehicle while keeping your keys in your pocket or purse
 - System uses a transmitter that responds within the vehicle
 - Set the system to automatically lock your doors as you walk away

Adaptive Remote Start

Start your vehicle from up to 100 yards with the remote start feature on your key fob:

- Upon activation of remote start, the engine will run for 10 minutes; repeat the steps for a 10 minute extension
- Automatic climate control system will operate at the same setting as when the vehicle was last turned off
- Heated/ventilated seats (if equipped) will turn on automatically if enabled in vehicle settings menu
- Universal Home Remote
 - 3-channel programmable
 - Program each of its 3 buttons for a different radio-controlled device
 - Open a garage door, turn on lighting, activate a home security system or open your community's automated gates
- Cruise control, electronic with set and resume speed, and with 1 mph and 5 mph increment adjustment
- Trunk release, power
- Theft-deterrent alarm system, with vehicle immobilizer
- Climate control, dual-zone automatic
 - Automatically maintains the selected temperature for both the driver and front passenger
 - Can individually set the control to the temperature which is most comfortable
- Air filtration system
- Defogger, rear-window, electric
- Glovebox, lockable
- Headliner, sueded microfiber
- Mirror, inside rearview auto-dimming, frameless Photocells embedded in the surface react almost instantaneously to bright headlights behind you, ending the momentary flash in your eyes and the annoyance of manually dimming the mirror.
- Console, overhead
- Visors, driver and front passenger illuminated vanity mirrors, covered
- Lighting, interior includes glovebox, front cup holders, overhead console, front and rear passenger footwell, map pockets, rear assist handles and cargo area
- Ambient Interior Lighting, uplevel Ambient lighting uses LED light pipes to create a museum-like look of quality to the instrument panel and doors.
- Cargo convenience trunk net
 - Keeps cargo from shifting while you drive
 - Protects both your trunk's interior and your cargo from potential damage
 - Easy to remove and store when not needed

EXTERIOR

- Wheels, 19" forged premium painted alloy Measure 19" x 9.5" front and 19" x 10" rear.
- Tires, 19" summer-only¹ P265/35R19 front and P295/30ZR19 rear. ¹ Do not use summer only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's

performance characteristics. Lower profile tires damage more easily; especially on rough roads. Damage is not covered under warranty. For important tire and wheel information, go to my.cadillac.com/learnAbout/cadillactires (<http://my.cadillac.com/learnAbout/cadillactires>) or see your dealer.

- Tire inflation kit
 - Helps to handle roadside emergencies
 - Includes tire sealant to temporarily seal punctures up to 1/4" in the tread area of the tire, and an air compressor for inflating the tire
 - Compressor is also convenient for adding air to an under-inflated tire
- High Intensity Discharge (HID) headlamps
 - Offers brilliant illumination as well as LED vertical light signatures
 - Adaptive Forward Lighting headlamps pivot horizontally to provide greater road illumination while turning
 - Works with both low- and high-beam headlamp settings, improving visibility at night and in inclement weather
- IntelliBeam[®] headlamps
 - Automatically turns on and off your vehicle's high beam headlamps according to surrounding traffic conditions
 - The automatic high beams will stay on until it detects an approaching vehicle's headlamps or preceding vehicle's taillamps
- Lamp marker, reflex, front side
- Tail lamps, LED illumination
- Lamp, LED center high-mounted stop/brake (CHMSL)
- Mirrors, Outside heated, power-adjustable, body-color
 - Driver-side auto-dimming
 - Manual-folding feature
 - Integrated turn signal indicators
- CurbView Camera¹ Provides a view of curbs and other obstacles to help protect the front splitter from curb damage during parking. ¹ Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle's owner's manual for more important safety information.
- Glass, windshield, solar absorbing
- Glass, acoustic, laminated, front doors
- Rainsense[™] automatic wipers¹
 - Turn on automatically when sensors detect moisture on the windshield
 - Provides a clear, effortless view of the road ahead

¹ Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle's owner's manual for more important safety information.

- Door handles, illuminated
- Automatic Parking Assist¹
 - Uses sensors to locate an appropriately sized parking space and then steers the car into the space while the driver controls the brakes and gear selection
 - Includes Front, Rear, Parallel and Perpendicular parking assist

¹ Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle's owner's manual for more important safety information.

SAFETY

- Traction control, all-speed, brake and engine controlled
- StabiliTrak[®] vehicle stability enhancement system
 - Offers enhanced safety in adverse driving and road conditions
 - Helps the driver maintain control of the vehicle during certain difficult driving conditions: ice and snow, gravel or uneven road surfaces, wet pavement or during emergency lane changes or avoidance maneuvers
- Daytime running lamps
- Air bags, Driver and front passenger frontal, thorax, pelvic, side curtain, knee and rear thorax for outboard seating positions
 - Driver and front passenger frontal and knee air bags¹ help to restrain the driver and right-front passenger in a moderate to severe frontal impact

- Front seat thorax, pelvic and side-impact curtain air bags¹ help reduce the risk of certain injuries to front seat occupants in side impacts
- Rear thorax air bags¹ provide additional occupant protection in side impacts
- All air bags¹ work with the safety belt system to reduce the risk of injury if the vehicle is involved in an impact

¹ Always use safety belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. See the Owner's Manual for more information.

- Air bag¹ with the Passenger Sensing System
 - Senses children and small-stature adults
 - Suppresses air bag deployment when appropriate

¹ Always use safety belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. See the Owner's Manual for more information.

- OnStar^{®1} Guidance Plan for 1 year Includes:

- Automatic Crash Response
- Stolen Vehicle Assistance
- Roadside Assistance
- Turn-by-Turn Navigation
- Advanced Diagnostics
- Trial excludes Hands-Free Calling

¹ Visit www.onstar.com (<http://www.onstar.com>) for coverage map, details and system limitations. Services vary by model. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data.

- OnStar^{®1} Basic Plan for 5 years
 - Limited vehicle mobile app features
 - Monthly Diagnostics Report
 - Dealer Maintenance notification

¹ Basic Plan available for 5 years from the date of vehicle delivery and is transferable. Does not include Emergency, Security or Navigation services.

- Rear Vision Camera¹
 - Get a clear view of the area behind your CTS-V for more confidence when backing up
 - The camera view, located in the Cadillac CUE^{®2} screen, provides a view of objects directly behind your vehicle
 - Dynamic guidelines laid over the display image assist in parking maneuvers by showing the vehicle's path and available space

¹ Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle's owner's manual for more important safety information.

² Cadillac CUE functionality varies by model. Full functionality requires compatible Bluetooth[®] and smartphone. Some devices require USB connectivity.

- Lane Keep Assist with Lane Departure Warning¹ Senses the lane boundaries and helps keep your vehicle centered by gently turning the steering wheel, as well as alerting you if the vehicle is anticipated to leave the lane unintentionally. ¹ Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle's owner's manual for more important safety information.

- Lane Change Alert¹
 - Detects if a vehicle, in an adjacent lane, is approaching quickly from the rear
 - Helps to alert driver to other vehicle's presence with an illuminated symbol in the corresponding side mirror
 - Flashes when the turn signal is on

¹ Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle's owner's manual for more important safety information.

- Following Distance Indicator¹ Front, bumper-mounted radar helps monitor and maintain distances between you and vehicles directly ahead. ¹ Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle's owner's manual for more important safety information.

- Forward Collision Alert¹
 - Uses camera technology to monitor traffic ahead and provides alerts if approaching vehicle ahead too quickly
 - Provides visual and Safety Alert Seat alerts, or audible alerts if the driver chooses

¹ Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle's owner's manual for more important safety information.

- Side Blind Zone Alert¹
 - Side Blind Zone Alert includes radar sensors on both corners of the rear bumper to help warn the driver that a car is in the blind spot in the next lane by lighting a symbol in the outside rearview mirrors

- If turn signal activated in the direction of the detected vehicle, the symbol will flash to provide extra warning not to change lanes

¹ Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle's owner's manual for more important safety information.

- **Rear Cross-Traffic Alert¹**

- Assists when backing out of a parking spot or angled parking spaces
- Warns the driver of oncoming cross traffic with visual and audible or directional seat pulse alerts if moving vehicles are detected
- Helps give the driver more time to react to obstacles that may be difficult to see in the side mirror

¹ Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle's owner's manual for more important safety information.

- **Teen Driver**

- Activate customizable vehicle settings associated with a key fob to encourage safe driving behavior
- Limit certain vehicle features which will prevent certain safety systems from being turned off
- In-vehicle report gives you information on your teen's driving habits and helps you to continue to coach your new driver

- **Safety belts, 3-point, driver and right-front passenger**

- **Safety belts, 3-point, rear, all seating positions**

- **Automatic Safety Belt Tightening¹**

- Activates automatically during emergency braking and/or sudden maneuvers
- When the vehicle is started with front safety belts buckled, the system activates and tightens
- Releases when driving conditions normalize

¹ Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle's owner's manual for more important safety information.

- **LATCH¹ child seat restraint system**

- Safety of your youngest passengers
- Helps make it easier to install and secure a compatible child restraint seat

¹ The child safety seat must have compatible attachment points to use the LATCH system. If not, you should use the vehicle's safety belt system to install the child seat.

- **Door locks, rear child security**

- **Tire Pressure Monitoring System Monitors the pressure in each tire and alerts driver if there is a low-pressure condition in one or more of the tires to help optimize your vehicle's ride and handling.**

Price less cash offers. Tax, title, license and dealer fees extra. Not available with lease, special finance and some other offers. See participating dealer for details.
MSRP excluding installation, taxes and wheel components (if applicable). Dealer prices may vary. Some accessories may require purchase of additional equipment and/or services. See your dealer for details.
† MSRP excludes tax, title, license and dealer fees. See dealer for details.
