YOUR PAINT

Light Windsor Blue over Windsor Blue

Light Windsor has been developed as an alternative to the standard Windsor Blue which works beautifully when combined as a duo-tone, especially on the new Mulsanne.

YOUR HIDE

Linen and Newmarket Tan split

The leather hides for the Bentley Mulsanne are handpicked from the herds of Northern Europe. The cooler climate means fewer insects and hence a bite-free hide.

Outstandingly soft to the touch, the hide is selected and cut at the same time so that there is as little variation in texture as possible. For Mulsanne we have also reverted to a traditional tanning process that enhances the softness and already rich smell of leather.

YOUR VENEER

Dark Fiddleback Eucalyptus

Contemporary straight grained veneer that gives a modern appearance to the cabin. Dark Fiddleback Eucalyptus takes its name from the origin of the craftsmanship of string instruments.
