STANDARD FEATURES

PACKAGE

- Driver Awareness and Convenience Package
  - Forward Collision Alert
  - Low Speed Forward Automatic Braking
  - Following Distance Indicator
  - Lane Keep Assist with Lane Departure Warning
  - Front Pedestrian Braking
  - Rear Cross-Traffic Alert
  - Automatic Safety Belt Tightening
  - Lane Change Alert with Side Blind Zone Alert
  - UltraView<sup>®</sup> panoramic power sunroof (Included only with CT6 Trim Level)
  - IntelliBeam<sup>®</sup>
  - Outside heated power-adjustable, power-folding mirrors
  - Heated front seats
  - Cadillac user experience<sup>1</sup> with navigation<sup>2</sup>

<sup>1</sup> Cadillac user experience functionality varies by model. Full functionality requires compatible Bluetooth<sup>®</sup> and smartphone. Some devices require USB connectivity.

<sup>2</sup> Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico and Canada.

- **Enhanced Vision and Comfort Package**
  - Rear Camera Mirror streams high-definition video images through the interior mirror
  - Rear Camera Mirror Washer
  - UltraView<sup>®</sup> panoramic power sunroof
  - Ventilated driver and front passenger seats
  - Heated rear outboard seats
- Comfort Package includes (KU9) ventilated front seats and heated rear outboard seats
- **Driver Assist Package**
  - Adaptive Cruise Control
  - Night Vision
  - Forward/Reverse Automatic Braking
- **Rear Seat Package**
  - Rear Seat Infotainment
  - Armrest with media controls
  - Dual, 10" diagonal, rear displays that articulate and retract into the front seatbacks
  - Remote control
  - Auxiliary audio input jack
  - HDMI input
  - Dual USB<sup>1</sup> ports
  - 2 wireless, dual-channel headphones

\* May require additional optional equipment.

<sup>1</sup> Not compatible with all devices.

- **Active Chassis Package**
  - Magnetic Ride Control™
  - Active rear steering
  - 20" all-season tires
  - 20" Ultra Bright machined aluminum multi-spoke wheels with Manooagian Silver pockets (Luxury and Premium Luxury)
  - 20" 5-split spoke aluminum wheels with Manooagian Silver premium painted finish and 5 chrome inserts (Platinum)

## MECHANICAL

- **3.0L Twin Turbo engine**
  - Offers 404 hp and 400 lb-ft of torque
  - Direct-Injection, Dual Overhead Cam with Variable-Valve Timing (VVT)
  - Automatic Stop/Start
  - Paired with an 8-speed automatic transmission
- **8-speed automatic transmission (3.0L Twin Turbo engine)**
  - Electronically controlled transmission
  - Smooth, effortless automatic shifting
- **Automatic Stop/Start**
  - Engine shuts off when the driver keeps their foot on the brake pedal at a complete stop
  - When driver removes their foot from the brake pedal and presses the accelerator, the engine automatically restarts
- **Noise control with engine sound enhancement**
  - Enhances engine sounds while reducing road noise within the cabin
- **Rear axle, 3.27 ratio**
- **All-Wheel Drive**
  - The Active On Demand system continuously monitors multiple inputs and adjusts torque split to optimize both

- traction and handling in all driving conditions
- This active system can send up to 100% of the available torque to the front wheels for improved handling and traction as conditions demand
- Steering, power-assist, electric-variable
- Magnetic Ride Control™
  - Delivers impressive maneuverability and performance
  - Monitors each wheel independently during your drive, adjusting vertical suspension every millisecond to maintain a smooth ride
  - Enhanced ride and handling in a variety of road surface conditions
- Active rear steering
  - All wheels steer
  - Helps increase agility and stability
  - Shortens the turning circle to make parking and slow-speed maneuvering through traffic much easier
- Brakes, heavy-duty 4-wheel antilock/4-wheel disc
  - Help reduce wheel lockup and help maintain steering control during hard braking on most slippery surfaces
- Automatic Vehicle Hold
  - Driver-selectable feature designed to help reduce fatigue during stop-and-go driving
  - Allows you to bring the vehicle to a stop and remove your foot from the brake while the feature holds the vehicle in place
- Dual exhaust
  - Accented by bright tips
- Road emergency tool kit
  - Contains a jack and lug nut wrench for changing flat tires
  - Helps keep you prepared for the unexpected

## INTERIOR

- Cadillac user experience with navigation
  - Cadillac user experience<sup>1</sup> with navigation<sup>2</sup> and 10.2" diagonal multi-touch color screen and Natural Voice Recognition technology
  - Bose® premium Surround Sound 10-speaker audio system (available Bose® Panaray® 34-speaker audio system)
  - Collection
  - Teen Driver
  - Phone Integration for Apple CarPlay™<sup>3</sup> and Android Auto™<sup>3</sup>
  - Dual USB ports<sup>4</sup> and auxiliary input jack for connecting portable media device

\*May require additional optional equipment.

<sup>1</sup> Cadillac user experience functionality varies by model. Full functionality requires compatible Bluetooth® and smartphone. Some devices require USB connectivity.

<sup>2</sup> Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico and Canada.

<sup>3</sup> Vehicle user interfaces are products of Apple® and Google® and their terms and privacy statements apply. Requires compatible smartphone and data plan rates apply.

<sup>4</sup> Not compatible with all devices

- Bose® Panaray® sound system with 34-speakers
  - Delivers a world-class sound system that creates a stunning listening experience
  - 34 strategically positioned speakers and innovative technology ensures each passenger is provided with concert hall sound
- SiriusXM® Satellite Radio
  - Enjoy your 3-month trial subscription to the All Access package with over 150 channels including commercial-free music, plus sports, exclusive talk, entertainment and news
  - Plus, listen on the app and online — it's included with All Access, so you'll hear the best SiriusXM<sup>1</sup> has to offer, anywhere life takes you

<sup>1</sup> If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call us at 1-866-635-2349. See our Customer Agreement for complete terms at

- Bluetooth® for phone/audio with Natural Voice Recognition
  - Pair up to 10 Bluetooth®<sup>1</sup>-enabled devices to your vehicle's Cadillac user experience<sup>2</sup> and enjoy hands-free phone conversations or streaming audio connectivity
  - Natural Voice Recognition - allows you to place or answer a phone call or find and play audio tracks without taking your hands off the wheel, or your eyes off the road

<sup>1</sup> Go to [my.cadillac.com/learn](http://my.cadillac.com/learn) (<http://my.cadillac.com/learn>) to find out which phones are compatible with the vehicle.

<sup>2</sup> Cadillac user experience functionality varies by model. Full functionality requires compatible Bluetooth® and smartphone. Some devices require USB connectivity.

- Wireless Charging
  - Uses induction technology for portable electronic devices<sup>1</sup>

<sup>1</sup> The system wirelessly charges one PMA- or Qi-compatible mobile device. To check for phone or other device compatibility, see [my.cadillac.com/learn](http://my.cadillac.com/learn) (<https://my.cadillac.com/learn>).

- OnStar® 4G LTE and available built-in Wi-Fi® hotspot
  - A reliable, secure connection to the Internet for up to 7 devices<sup>1</sup>
  - Includes Data Trial for 3 months or 3GB (whichever comes first)

<sup>1</sup> Available Wi-Fi requires compatible mobile device, active OnStar service and data plan. Data plans provided by AT&T. Visit [www.onstar.com](http://www.onstar.com) (<http://www.onstar.com>) for details and system limitations.

- 20-way front bucket seats for driver and front passenger
  - 4-way power pneumatic lumbar control
  - 4-way manual adjustable head restraints
  - Massage feature
- Ventilated driver and front passenger seat cushions and seatbacks
  - Cooling feature includes both seatbacks and cushions
  - When vehicle is on, the automatic ventilated seats will be activated at the level required by the vehicle's interior temperature
- Heated front seats
  - Three levels of heat are available to warm the seat cushion and back
  - When vehicle is on, the automatic heated seats will be activated at the level required by the vehicle's interior temperature
- Driver memory seat
  - Two presets for driver's seat position
- Front passenger memory seat
  - Two presets for front passenger seat position
- Rear 40/20/40 bench seat
  - 8-way power articulating outboard seats with center pass-thru
  - Heat and ventilation with massage on rear outboard seating positions
  - 2 cupholders
- Heated rear seats
  - Heated feature includes rear outboard seatbacks and cushions
- Ventilated rear seats
  - Cooling feature includes both rear outboard seatbacks and cushions
- Rear auxiliary power outlet
  - Located on the center of the rear seat at the base of the seat cushion
- Front power outlets, dual USB ports
  - Dual USB<sup>1</sup> ports
  - For charging and running mobile electronic devices
  - Located inside front center console
- Power Outlet
  - 110V auxiliary
  - Located below center rear seat cushion

<sup>1</sup> Not compatible with all devices.

- Rear power outlets, dual USB ports
  - Dual USB<sup>1</sup> ports
  - For charging and running mobile electronic devices
  - Located below center rear seat cushion
- <sup>1</sup> Not compatible with all devices.
- Premium carpeted floor mats
  - Helps protect the interior carpeting of your vehicle
  - Included for both the front and rear seating area
- Illuminated sill plates
  - Uses LED lights to illuminate Cadillac crest
  - Add a refined touch as you step into your vehicle
- Illuminated trunk sill plate
- Leather-wrapped steering wheel
  - Adds a premium look and comfort to your drive
- Automatic heating steering wheel
  - Activated using the button on the steering wheel
  - If equipped with automatic heated seats, the heated steering wheel will turn on when the automatic front heated seat is activated
- Power steering column
  - Allows you to easily adjust both the angle and the distance of the steering wheel
  - Assists you in finding your most comfortable driving position behind the wheel, tied to driver memory settings
- 12" diagonal color gauge cluster
  - Fully reconfigurable high definition cluster layout
  - Allows drivers to personalize vehicle features, including warning messages and vehicle information
- Head-Up Display
  - Projects information from your gauge cluster onto the windshield so you never have to look down
  - Display information, positioning, and brightness adjust easily to fit your preferences
  - Helps prevent accidents by keeping your focus where it needs to be
- Surround Vision Recorder
  - Allows the driver to record, store (on a SD card), and playback a video of the images recorded by the vehicle's Surround Vision feature cameras<sup>1</sup>

<sup>1</sup> Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle owner's manual for more important safety information.

- Theft-Deterrent System
  - Sounds the horn and flashes the turn signals when someone attempts to open the decklid or doors without the proper key or remote transmitter
- Inclination sensor
  - Detects vertical and horizontal motion outside of your car and triggers an alarm response
  - Prevents thieves from stealing your vehicle by lifting it with a tow truck or hiking it up with a car jack
- Vehicle interior movement sensor
  - As part of the security system, monitors the vehicle interior
  - Can activate the alarm if it senses movement or unauthorized entry into the vehicle's interior
- Remote start
  - Start your vehicle remotely and step into a comfortably warmed or cooled vehicle, depending on the weather and your preset
  - Heated/ventilated seats (if equipped) will turn on automatically if enabled in vehicle settings menu
- Door locks
  - Power programmable
  - Lockout protection
- Keyless Open and Start
  - Offers keyless entry to all doors and trunk

- Keyless Ignition with Push-Button Start
- Adaptive Cruise Control
  - Switchable to regular Cruise Control to allow the vehicle to automatically follow a detected vehicle ahead at the driver-selected following gap while the driver steers
  - Reduces the need for the driver to frequently brake and accelerate

\*May require additional optional equipment.

<sup>1</sup> Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle's owner's manual for more important safety information.

- Quad-zone climate control with dual control settings for front and rear passengers
  - Uses a secondary heating and cooling system that allows passengers to personalize temperature and airflow for each outboard seating position
  - Includes ionizing air purification

\* May require additional optional equipment.

- Ionizing Air Cleaner
  - Helps trap airborne particles, boosting air cleaner efficiency

\* May require additional optional equipment.

- Rear Camera Mirror
  - Compared to a traditional inside rearview mirror, this rear view mirror display provides a wider, less obstructed field of view to assist when driving, changing lanes, and checking for vehicles and traffic conditions<sup>1</sup>
  - System may provide increased rear visibility during nighttime

\* May require additional optional equipment.

<sup>1</sup> Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle's owner's manual for more important safety information.

- Universal Home Remote
  - 3-channel programmable
  - Program each of its 3 buttons for a different radio-controlled device
  - Open a garage door, turn on lighting, activate a home security system or open your community's automated gates
- Rear side manual sunshades
  - Can be raised or lowered manually
  - Helps keep the second row cooler while providing enhanced occupant privacy
- Rear-window power sunshade
  - Raises at the touch of a button to help deflect solar glare
  - Keeps the rear seating area cooler
  - Provides rear cabin privacy
- Trunk/cargo area carpet mat
  - Provides an exact fit to your trunk interior
  - Helps protect the carpet from dirt, debris and mud

## EXTERIOR

- 20" 5-split spoke aluminum wheels with Manoa Silver premium painted finish and 5 chrome inserts
  - Paired with 20" all-season tires
- 20" all-season tires
  - 245/40R20 XL
- Compact spare wheel
- 18" compact spare tire
  - T135/70R18, blackwall
- Wheel locks
  - Come with a special key to help protect your vehicle's wheels from theft
- LED Headlamps
  - Provides bright, long lasting white light that helps you clearly see the road ahead

- Help improve down-the-road visibility in low-light conditions
- IntelliBeam®
  - Automatically turns on and off your vehicle's high beam headlamps according to surrounding traffic conditions
  - The automatic high beams will stay on until it detects an approaching vehicle's headlamps or preceding vehicle's tail lamp
- \* May require additional optional equipment.
- Front cornering lamps
  - Illuminate the vehicle's path through a curve or around a corner
- Rear tail lamps with LED illumination
  - LEDs add brightness and last longer than traditional incandescent bulbs
- Concierge Lighting
  - Illuminates the outside of the car as you approach
- Outside heated power-adjustable, power-folding mirrors
  - Integrated turn signal indicators
  - Driver-side auto-dimming
  - Body-color
- Front door glass
  - Includes acoustic properties that help keep out traffic and road noises
- Wipers, Rainsense
- Illuminated door handles
  - Includes Keyless Open access from any door
- UltraView® panoramic power sunroof
  - Glass roof spans both front and rear seats
  - Opens over front seats
  - Independent front and rear shade control
  - Equipped with tilt, slide and Express-Open and Express-Close features
- Locking fuel filler door
  - Press unlock on your Remote Keyless Entry fob and the fuel door will unlock (if equipped)
  - When you lock the vehicle, the fuel door will also lock
- Capless Fueling System
  - Helps keep your hands clean of dirt and fuel during fill ups
  - Prevents paint scratches that can result from a tethered fuel cap
- Hands-Free Decklid
- Automatic Parking Assist
  - Helps the driver parallel and perpendicular park by automatically steering the vehicle into a detected parking space
  - Driver follows text commands, selects gear, and does all braking and idle acceleration
- Rear Camera Mirror Washer
  - The washer routes washer fluid to the rear camera and sprays on command
  - Fluid washes over the camera lens to help remove mud, dust, snow, ice and moisture

\* May require additional optional equipment.

## SAFETY

- Forward/Reverse Automatic Braking
  - Utilizes sensors in the front and rear<sup>1</sup>
  - Helps the driver prevent front and rear low-speed collisions
  - Uses a progression of alerts to warn the driver and will even apply the brakes if necessary

\* May require additional optional equipment.

<sup>1</sup> Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle's owner's manual for more important safety information.

- Daytime Running Lamps
  - Illuminated when your vehicle is running and the headlamps are off
  - Makes your vehicle more visible to oncoming traffic to help reduce the risk of collision
- Air bags
  - Driver and front passenger dual-stage air bags<sup>1</sup> are designed to inflate with greater or less speed and pressure, depending on the crash severity, to help reduce the risk of air bag-related injury in low-impact crashes where the full force of the air bag may not be necessary
  - Front head curtain air bags provide additional occupant protection in side impacts
  - Driver and front passenger knee, pelvic and thorax air bags help reduce the risk of certain injuries to front seat occupants

<sup>1</sup> Always use safety belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. See the Owner's Manual for more information.

- Air bag<sup>1</sup> with Passenger Sensing System
  - Senses children and young adults
  - Suppresses air bag deployment when appropriate

<sup>1</sup> Always use safety belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. See the Owner's Manual for more information.

- Driver and front passenger safety belts
  - Lap and shoulder belts for driver and front passenger with belt-to-seat mounting and pretensioners
- Rear safety belts
  - Lap and shoulder belts for all rear positions with belt-to-seat mounting
- LATCH child seat restraint system
  - Helps make it easier to install and secure a compatible child restraint seat<sup>1</sup>

<sup>1</sup> The child safety seat must have compatible attachment points to use the LATCH system. If not, you should use the vehicle's safety belt system to install the child seat.

- Automatic Safety Belt Tightening
  - Activates automatically during emergency braking and/or sudden maneuvers
  - When the vehicle is started with front safety belts buckled, the system activates and tightens
  - Releases when driving conditions normalize

\* May require additional optional equipment.

- OnStar<sup>®1</sup> Guidance Plan for 1 year
  - Automatic Crash Response
  - Stolen Vehicle Assistance
  - Roadside Assistance
  - Turn-by-Turn Navigation
  - Advanced Diagnostics
  - Trial excludes Hands-Free calling minutes

<sup>1</sup> Visit [www.onstar.com](http://www.onstar.com) (<http://www.onstar.com>) for coverage map, details and system limitations. Services vary by model. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data.

- OnStar<sup>®</sup> Basic Plan for 5 years
  - Includes select vehicle mobile app features, Advanced Diagnostics and Dealer Maintenance Notification<sup>1</sup>

<sup>1</sup> Does not include Emergency, Security or Navigation services. Visit [www.onstar.com](http://www.onstar.com) (<http://www.onstar.com>) for coverage map, details and system limitations.

- Rear Vision Camera
  - When in Reverse, provides the driver of a view of the scene directly behind the vehicle on the information display (or inside Rearview Mirror Camera, if equipped) to help park and avoid crashing into nearby objects during low-speed maneuvering<sup>1</sup>

<sup>1</sup> Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle's owner's manual for more important safety information.

- Surround Vision
  - Provides the driver with an overhead "bird's eye" view of the scene around the vehicle on the color information display<sup>1</sup>
  - Helps driver park and avoid crashes with nearby objects during low-speed maneuvering

<sup>1</sup> Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle owner's manual for more important safety information.

- **Night Vision**

- Provides the driver an infrared night vision image of the area lit beyond the headlamps<sup>1</sup>
- Highlights and provides alerts to detected pedestrians or large animals

\* May require additional optional equipment.

<sup>1</sup> Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle owner's manual for more important safety information.

- **Following Distance Indicator**

- Provides driver with the following (or headway) time to a detected vehicle<sup>1</sup>
- Alerts driver he or she is following the vehicle too closely or violating vehicle following-distance laws

<sup>1</sup> Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle's owner's manual for more important safety information.

- **Front Pedestrian Braking**

- If the system detects that a pedestrian is directly ahead and a collision is imminent, and the driver has not already applied the brakes, the system alerts the driver<sup>1</sup>
- If necessary, automatically applies the brakes to help reduce the collision's severity or avoid the collision

\* May require additional optional equipment.

<sup>1</sup> Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle's owner's manual for more important safety information.

- **Lane Change Alert with Side Blind Zone Alert**

- Provides side mirror alerts<sup>1</sup>
- Helps the driver avoid crashing into a moving vehicle detected in their side-blind spot (or zone) during a lane-change maneuver

\* May require additional optional equipment.

<sup>1</sup> Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle owner's manual for more important safety information.

- **Lane Keep Assist with Lane Departure Warning**

- Provides gentle steering wheel turns (and Lane Departure Warning alerts if necessary)
- Helps drivers avoid crashes due to unintentionally drifting out of their lane when they are not actively steering and their turn signal is not activated<sup>1</sup>

\* May require additional optional equipment.

<sup>1</sup> Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle's owner's manual for more important safety information.

- **Rear Cross-Traffic Alert**

- When in Reverse, provides alerts to help driver avoid crashing into approaching detected left- or right-cross traffic (e.g., out of a crowded parking space or driveway with side obstructions)

\* May require additional optional equipment.

<sup>1</sup> Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle's owner's manual for more important safety information.

- **Forward Collision Alert**

- If the system detects that a front-end collision situation is imminent while following a detected vehicle, the system alerts the driver to a potential crash<sup>1</sup>
- Also alerts the driver if the driver is following a detected vehicle much too closely

\* May require additional optional equipment.

<sup>1</sup> Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle's owner's manual for more important safety information.

- **Safety Alert Seat**

- The GM-patented Safety Alert Seat provides the driver the option of getting haptic seat-bottom vibration pulses instead of audible crash avoidance alerts
- Teen Driver configurable feature that lets you activate customizable vehicle settings associated with a key fob, to encourage safe driving behavior. It can limit certain vehicle features, and it prevents certain safety systems from being turned off. An in-vehicle report gives you information on your teen's driving habits and helps you to continue to coach your new driver

Price less cash offers. Tax, title, license and dealer fees extra. Not available with lease, special finance and some other offers. See participating dealer for details.  
MSRP excluding installation, taxes and wheel components (if applicable). Dealer prices may vary. Some accessories may require purchase of additional equipment and/or services. See your dealer for details.  
† MSRP excludes tax, title, license and dealer fees. See dealer for details.
