BMW AG preliminary test results. Actual acceleration results may vary, depending on specification of vehicle; road and environmental conditions; testing procedures and driving style. These results should be used for comparison only and verification should not be attempted on public roads. BMW urges you to obey all posted speed laws and always wear safety belts.

MPG/MPGe

Preliminary EPA-estimated figures are for comparison purposes only. Your actual mileage will vary, depending on speed, driving habits, trip length and driving conditions; actual mileage may be lower.

Note for MPGe: All data are provisional and subject to official confirmation. The provisional power consumption figures have been calculated based on the ECE test cycle.

ACCESSORIES

To order Original BMW Accessories, contact your local BMW center. All prices are suggested retail prices and are subject to change. Actual prices may vary and depend upon BMW center. Please note, BMW Accessory prices DO NOT INCLUDE taxes, installation or painting, which may be required. Check with your authorized BMW center for complete information, availability and installation costs.

BMW INDIVIDUAL

BMW Individual paints, upholsteries and trims require special consideration. Production of the vehicle could extend build time 6-8 weeks from the time your dealer confirms the order. Please discuss this customized build with your preferred BMW dealer. For maintenance terms and conditions, see BMWUSA.com/maintenance.

WHEELS

20" wheels come with low profile tires, which reduce comfort and cushioning between the wheel and road. This can lead to increased risk of rim, tire, and suspension damage when driving over damaged road surfaces such as potholes.

UPHOLSTERY

Leather is on all seating surfaces; other components may be Leather or SensaTec.
