Standard Features

<u>Package</u>	<u>Mechanical</u>	<u>Interior</u>	<u>Exterior</u>	<u>Safety</u>
----------------	-------------------	-----------------	-----------------	---------------

Package

- Z51 Performance Package Includes:
 - Performance brakes with Black-painted calipers and slotted brake rotors
 - Z51 performance suspension with specific shocks, springs and stabilizer bars
 - Dry sump oil system
 - Michelin Pilot[®] Super Sport[®] ZP P245/35ZR19 front and P285/30ZR20 rear summer-only tires¹ that provide outstanding handling, grip and road-holding capability
 - Silver-painted aluminum 19" front and 20" rear wheels
 - Performance gear ratios and exhaust
 - Electronic Limited Slip Differential (eLSD)
 - Rear differential and transmission cooling
 - Aero Package that reduces lift for high-speed stability

¹ Do not use summer only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM[®]-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, go to www.chevyaccessories.com (<http://www.chevyaccessories.com>) or see your dealer

Mechanical

- 6.2L V8 DI engine The race-proven small-block 6.2L V8 powers Stingray,[®] making it powerful, quick and fuel-efficient¹.
 - 455 hp @ 6000 rpm
 - 460 lb-ft of torque @ 4600 rpm
 - 0–60 mph in 4 seconds, 3.8 seconds with the available Z51 Performance Package
 - This technological powerhouse integrates an array of advanced technologies that include:
 - Direct Injection
 - Active Fuel Management[®]
 - Continuously Variable Valve Timing
- ¹ EPA estimated MPG 17 city/ 29 highway with manual transmission, 16 city/29 highway with automatic transmission.
- 7-speed manual transmission Offers impressive performance and includes Active Rev Matching.
 - Provides smooth shifting by using throttle “blips”
 - Eliminates the need for the driver to use a heel-and-toeing technique when shifting during braking
 - Can be toggled on and off using the steering-wheel paddles
 - Includes 3.42 rear axle ratio
- Rear axle with 3.42 ratio
 - Delivers exceptional acceleration from a standstill
 - Provides control in a variety of driving maneuvers thanks to its limited slip differential
- Dry sump oil system
 - Helps maintain oil pressure and lubrication under track conditions
 - Helps maintain horsepower throughout a wider range of performance demands
 - Included with available Z51 Performance Package
- Electronic Limited Slip Differential (eLSD) Comparing information from the vehicle's sensors to input from the driver, the eLSD determines the right amount of engagement needed for driving conditions. The system:
 - Works to improve traction while cornering by modulating the engagement and achieving a balance between directional control and acceleration
 - Provides optimum engagement for high-speed control and stability without affecting the precise steering and turn-in
 - Improves vehicle vehicle stability during spirited driving and evasive maneuvers
- Rear differential cooler
 - Helps maintain proper operating temperatures, keeping gears cool and at optimal performance
 - Included with available Z51 Performance Package
- Rear wheel drive
- Aluminum frame Taking advantage of lightweight materials, advanced manufacturing techniques and technology transferred from the Corvette[®] Racing program, this all-new aluminum frame:
 - Is 57% stiffer and 45-kg lighter than the previous steel frame
 - Offers greater torsional rigidity that helps reduce unwanted noise and improve ride and handling

- Contributes to an optimal near 50/50 weight balance that supports the world-class power-to-weight ratio
- Z51 performance suspension Included with the Z51 Performance Package, this suspension is expressly engineered and tuned for optimal sports-driving performance.
- Power steering The speed-sensitive, variable-ratio rack-and-pinion power steering provides the best steering feel for all driving situations. The system:
 - Increases or decreases the amount of assist depending on the steering wheel angle
 - Incorporates a "smooth road shake prevention" feature that senses when the driver is experiencing "excitation" and prevents that force from transmitting back through the wheel (known as steering wheel shake)
 - Operates seamlessly for excellent road feel at highway speeds and almost effortless low-speed maneuvering
- Z51 performance brakes
 - Part of the Z51 Performance Package
 - Larger front brakes – 13.6" vs. 12.6"
 - Black-painted calipers
 - Slotted brake rotors for optimized heat dissipation and performance
- Black-painted brake calipers
 - "Corvette" visible on outside of calipers
 - Included with the Z51 Package
- Performance exhaust
 - Increases horsepower
 - Aggressive exhaust sound
 - 4" polished stainless-steel tips
 - Included with Stingray with the available Z51 Performance Package, Grand Sport and Z06® models

Interior

- Chevrolet MyLink Radio®¹ with performance data recorder and Navigation¹
 - 8" diagonal, color touch-screen
 - Navigation¹
 - Performance data recorder
 - AM/FM stereo with seek-and-scan and digital clock
 - Bluetooth®² streaming audio for music and select phones
 - Voice-activated technology for radio and phone
 - Features Android Auto™ and Apple® CarPlay™³ capability for compatible phone

¹ Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Map coverage available in the United States, Puerto Rico and Canada.

² Go to <http://my.chevrolet.com/learn> (<http://my.chevrolet.com/learn>) to find out which phones are compatible with the vehicle.

³ Vehicle user interfaces are products of Apple and Google and their terms and privacy statements apply. Requires compatible smartphone and data plan rates apply.

Apple CarPlay is a trademark of Apple Inc. iPhone and Siri are trademarks of Apple Inc., registered in the U.S. and other countries. Android Auto is a trademark of Google Inc.

- Bose® advanced 10-speaker audio system Engineered for the distinctive acoustics of Corvette®, this 10-speaker system includes a bass box and 2 subwoofers optimized for excellent sound quality.
- SiriusXM® Satellite Radio¹
Welcome to the world of SiriusXM®.¹
 - Enjoy your 3-month trial subscription to the All Access package with over 150 channels including commercial-free music, plus sports, exclusive talk, entertainment and news
 - Plus, listen on the app and online — it's included with All Access, so you'll hear the best SiriusXM has to offer, anywhere life takes you
 SiriusXM subscription extended to a full year on all 2LT and 3LT models.

¹ If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call us at 1-866-635-2349. See our Customer Agreement for complete terms at www.siriusxm.com (<http://www.siriusxm.com>). All fees and programming subject to change. © 2016 Sirius XM Radio Inc. Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc. All rights reserved.

- OnStar® 4G LTE and built-in Wi-Fi® hotspot¹
 - Connects to the Internet at great 4G LTE speeds
 - Includes OnStar® Data Trial for 3 months or 3GB (whichever comes first)

¹ Available 4G LTE Wi-Fi requires compatible mobile device, active OnStar subscription and data plan. Visit www.onstar.com (<http://www.onstar.com>) for details and system limitations.

- Performance data recorder and Navigation¹
 - Records video and real-time performance data to play back, share and analyze your driving experiences
 - Windshield-mounted HD camera module captures video and audio of drives
 - Video, audio and performance data can be replayed on the Corvette® color touch screen or saved on an SD memory card for playback on your computer or analysis with Cosworth toolbox

- Track Mode records video, audio and synchronized performance data, including speed, rpm, g force, track maps, lap times and start/finish line
- Sport Mode has simplified data, such as speed and g force, to your video
- Touring Mode captures video and audio of scenic drives
- Performance Mode records performance data: 0 to 60 mph, 1/4-mile speed and elapsed time, as well as 0-to-100-to-0 runs
- Valet mode provides peace of mind by recording video and data when your vehicle is not in your control
- Stingray® and Grand Sport 1LT and 2LT models, and Z06® 1LZ and 2LZ models require the available Chevrolet MyLink®¹ audio system with Navigation¹

¹ MyLink functionality varies by model. Full functionality requires compatible Bluetooth® and smartphone, and USB connectivity for some devices. Map coverage available in the United States, Puerto Rico and Canada.

- Antenna, integral, hidden
- GT bucket seats
 - Designed for all-around comfort and support
 - Built on sturdy, yet lightweight magnesium frames
- 3LT interior trim seats, console, door armrests and instrument panel in interior color selected
- Driver and passenger 8-way seat adjusters Allows both occupants to find exceptionally comfortable seating positions.
- Power bolster and power lumbar seat adjusters Help maximize your driving comfort:
 - Adjust the amount of side support you prefer in your seat bolsters
 - Choose just the right amount of lumbar support
- Heated and vented driver and passenger seats
 - Offer a heated feature to provide comforting warmth
 - Include a vented feature that you can activate to direct a stream of air through the seat for cooling comfort
- Perforated Napa leather seating surfaces
- Custom Leather Wrapped Interior Package features leather-wrapped upper instrument panel, upper door trim panels and console storage cover
- Sueded Microfiber-Wrapped Upper Interior Trim Package
This rich, plush fabric treatment is applied to the following interior features:
 - Visors
 - A-pillar trim
 - Trim above the windshield
- Console, floor 2 covered cup holders, auxiliary power outlet, USB ports, auxiliary input jack and storage
- Floor mats, carpeted
- Power tilt and telescopic steering column Allows the driver to easily find a comfortable steering-wheel position.
- 3-spoke leather-wrapped flat-bottom steering wheel Flat bottom steering wheel increases legroom for easier entry and exit as well as quicker heel/toe shifting.
- Steering wheel controls, audio, voice recognition and Driver Information Center
- Head-Up Display
 - Projects color images with vehicle information onto the windshield just below the driver's line of sight
 - Allows the driver to reference vehicle information without looking down and away from the road
 - Includes color readouts for street mode which support audio and navigation functions, track mode with g-meter, vehicle speed and engine rpm
- Driver Information Center The reconfigurable instrument cluster is an 8" diagonal color screen that includes:
 - Auxiliary analog gauges
 - 3 customization options – Touring, Sport and Track; the instrument cluster changes with the Driver Mode selected
 - A tachometer with shift lights for high-performance driving
- Oil life monitoring system
- Power programmable door locks with lockout protection
- Keyless Open and Start includes 2 remote transmitters that enable automatic door unlock and open by touching door switch
- Power windows with Express-Up and Down for both driver and passenger
- Cruise control, electronic with set and resume speed
- Memory Package Allows you to set and recall 2 driver "presets" for 8-way power seat, outside mirrors and tilt/telescoping steering column for a more personalized ride.
- Universal Home Remote Located on the driver visor, this 3-channel programmable system can replace up to 3 remote control transmitters used to activate devices such as garage door openers, security systems and home automation devices.
- Theft-deterrent system, vehicle, push button start, immobilizer and audible visual alarm
- Advanced theft deterrent system, body security content and unauthorized entry electrical
 - Shielded theft-deterrent alarm system with dedicated power source
 - Tilt sensor activates an alarm during unauthorized jacking or towing to help deter theft
- Trunk release, push button open
- Dual-zone automatic climate control Allows the driver and passenger to select an individual climate setting for their side of the cabin.
- Air filtration system with pollen filter

- Defogger, rear-window, electric
- Inside rearview auto-dimming mirror
 - Frameless mirror has been designed and shaped to help improve the driver's vision
 - Auto-dimming feature gradually darkens the mirror to help reduce glare from headlamps behind the driver to enhance low-light and nighttime visibility
- Visors, driver and passenger illuminated vanity mirrors
- Lighting, interior with courtesy, cargo and glovebox
- Storage
 - An electric locking glovebox that locks automatically when the vehicle's doors are locked or when the driver selects Valet Mode
 - Behind-screen storage
 - A center-console bin and 2 covered cup holders
 - A covered compartment in the rear
- Cargo net

Exterior

- Wheels, 19" front and 20" rear, 5-split spoke, Silver-painted aluminum, Z51-style
 - 19" x 8.5" front and 20" x 10" rear wheels
 - Require Z51 or Magnetic Selective Ride Control
- P245/35ZR19 front and P285/30ZR20 rear, performance , run-flat, summer-only tires¹ Included on Stingray with Z51 or Magnetic Selective Ride Control™. ¹ Do not use summer only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM®-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, see your dealer for a copy of the vehicle's owner's manual.
- Engine access, rear-opening hood
- Power-folding convertible top Includes glass rear window with integral defogger.
- Chrome Badge Package Replaces Corvette® Z06 carbon flash crossed flag emblems with distinctive Chrome badges.
- High-Intensity Discharge (HID) headlamps
 - Employ Xenon to provide a bright, intense beam of white light
 - Include Daytime Running Lamps that turn on whenever the headlamps are off to make the vehicle more visible to oncoming traffic
 - Also includes highly visible and reliable LED park and turn signals
- Body-color outside heated power-adjustable mirrors with driver-side auto-dimming
 - The heated feature is activated when the rear-window defogger is on and helps clear mirrors of frost, snow or ice for a clear view
 - Auto-dimming feature gradually darkens the mirror to help reduce glare from headlamps behind the driver to enhance low-light and nighttime visibility
- Glass, Solar-Ray light-tinted
- Wipers, front intermittent

Safety

- Active handling stability control
 - Improves traction and enhances stability on curves, during cornering and in emergency maneuvers
 - Sensors compare your steering inputs with the vehicle's direction of movement
 - The system selectively applies the brakes to individual wheels, reduces engine torque or both to keep you on your intended path of travel
- Traction control
 - Helps limit wheel slippage and delivers better grip, especially when accelerating on rain-slick pavement, icy roads and other low-traction surfaces
 - Operates automatically by sensing loss of traction and selectively braking the affected wheel, managing engine power or both
 - With the push of a button, you can turn off the system for competitive driving
- Front curb-view cameras Allows the driver to see where curbs are to avoid damaging the front splitter.
- Rear Vision Camera
- Driver and passenger frontal and side-impact air bags¹ Includes a Passenger Sensing System that automatically switches the passenger frontal air bag¹ on or off based on the passenger's weight and the type of pressure on the seat.

¹ Always use safety belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. See the Owner's Manual for more information.

- OnStar® Guidance Plan¹ for 3 months Includes Automatic Crash Response, Stolen Vehicle Assistance, Roadside Assistance, Turn-by-Turn Navigation, Advanced Diagnostics and more (trial excludes Hands-Free Calling). ¹ Visit www.onstar.com (<http://www.onstar.com>) for coverage map, details and system limitations. Services may vary by model and conditions.
- OnStar Basic Plan for 5 years includes limited vehicle mobile app services, Monthly Diagnostics Report and Dealer Maintenance Notification (Basic Plan available for 5 years from the date of vehicle delivery, and is transferable. Does not include Emergency, Security or Navigation services.)

- Price less cash offers. Tax, title, license and dealer fees extra. Not available with lease, special finance and some other offers. See participating dealer for details.
- MSRP excluding installation, taxes and wheel components (if applicable). Dealer prices may vary. Some accessories may require purchase of additional equipment and/or services. See your dealer for details.
- † MSRP excludes tax, title, license and dealer fees. See dealer for details.
