

Date (MM/DD/YYYY)

05 / 14 / 2017

Dear Sir, dear Madam,

Thank you for your interest in Porsche and for configuring your vehicle in the Porsche Car Configurator.

The Porsche brand is the embodiment of sporty driving. Our vehicles represent uncompromising innovation combined with the typical Porsche characteristics of technology, design, agility and safety which merge harmoniously in each model.

We trust that you were able to configure your ideal Porsche. For the way you live. For the way you drive. We invite you to take the next logical step with a test drive at your local Porsche dealer.

Additional detailed information is available at your local authorized Porsche dealership, where they will be able to provide you assistance with financing, leasing, and accessories.

You can also save your configuration or send it directly to your preferred Porsche Centre.

You will be able to find further information and locations of your local Porsche dealership at [www.porschedealer.com](http://www.porschedealer.com)

Sincerely,

Your Porsche Internet Team

PORSCHE

#### Important Information

Although this image is intended to reflect your actual vehicle configuration, there may be some variation between this picture and the actual vehicle. Some items shown are European specifications.

## Technical data

## Porsche Doppelkupplung (PDK)

### Engine

Engine layout	Rear-engine
Bore	102.0 mm
Design and cylinders	Twin-turbocharged boxer 6
Stroke	77.5 mm
Displacement	3.8 l
Max. torque	516 lb-ft
at rpm	2,100 - 4,250 rpm
Compression ratio	9.8 : 1
Cooling	Water-cooled
Valves	2 intake / 2 exhaust
Valve timing	VarioCam Plus
Lubrication	Integrated dry-sump
Intake style	Variable resonance intake system
Knock control	Yes
Exhaust emission treatment	2 catalytic converters
Max. power	580 hp
Power-to-weight ratio	6.4 lb/hp
Max. power per liter	152.6 hp/l
at rpm	6,750 rpm

### Fuel Consumption

City	19 mpg
Highway	24 mpg
Combined	21 mpg

### Transmission

Drivetrain	All-wheel drive
Manual transmission	N/A
Automatic transmission available	Standard
Automatic transmission	7-speed Porsche Doppelkupplung (PDK)

### Chassis and Suspension

Front axle	MacPherson strut suspension with anti-roll bar
Rear axle	LSA multi-link suspension with anti-roll bar
Steering	Electromechanical power steering with electric power assistance. Rear axle steering
Brakes	Porsche Ceramic Composite Brake (PCCB) with 6-piston alum. monobloc fixed calipers front and 4-piston alum. monobloc fixed calipers rear (Yellow), internally ventilated and cross-drilled brake discs F/R
-	ABS 9.0

#### Service and Warranty

Main service interval

Porsche Cars North America offers service and maintenance packages in a variety of terms to match your intended usage. Please see your Authorized Porsche Dealer for details and availability.

Limited vehicle warranty

4 year/50,000 mile (whichever comes first) limited warranty<br>24-Hour Roadside Assistance program

Limited corrosion warranty

12 years, regardless of mileage

Limited paint warranty

4 year/50,000 mile (whichever comes first)

## Standard equipment

---

### Engine

- 3.8-liter twin-turbocharged boxer 6
  - 580 hp @ 6500 - 6750 rpm
  - 516 lb.-ft. @ 2100 - 4250 rpm (553 lb.-ft. with overboost)
  - Incl. first scheduled maintenance at 10,000 miles or 1 year
- 

### Engine Features

- Aluminum crankcase and cylinder heads
  - Water cooling
  - 4 valves per cylinder
  - VarioCam Plus camshaft control and valve adjustment
  - Hydraulic valve clearance compensation
  - Integrated dry-sump lubrication
  - On-demand electronically controlled oil pump
  - Electronic engine management with electronic throttle
  - Twin-turbo with Variable Turbine Geometry and dual intercoolers
  - Pressure sensor for determining air mass
  - Direct fuel injection (DFI)
  - Cylinder-specific knock control
  - Two 3-way catalytic converters
  - Stereo Lambda control circuits
  - Static high-voltage distribution system with individual ignition coils
  - Expansion intake manifold
  - 2 twin-tube Turbo design tailpipes in black-chromed stainless steel
  - Mode switch on the steering wheel for selecting driving modes: Normal, SPORT, SPORT PLUS, Individual, and SPORT Response Button
  - Electrical system recuperation with absorbent glass mat (AGM) starter battery
  - On-board diagnostics for monitoring emission control system
  - LEV II - LEV emission standards
- 

### Performance and Transmission

- 7-speed Porsche Doppelkupplung (PDK) incl. dual-mass flywheel
- Sport Chrono Package including dynamic engine mounts, analog and digital stopwatch, turbo overboost function, Mode Switch for selecting the Normal, SPORT, SPORT PLUS, and Individual driving modes, SPORT Response button, and Performance display in the PCM
- Stationary management with HOLD function
- All-wheel drive with Porsche Traction Management (PTM)
- Auto Start Stop function with coasting
- Porsche Torque Vectoring Plus (PTV Plus) including electronically controlled rear differential lock with fully variable standard torque split

## Standard equipment (continued)

---

### Chassis and Suspension

- 9 J x 20-inch Turbo S center locking forged alloy wheels with 245/35 ZR 20 performance summer tires in front
  - 11.5 J x 20-inch Turbo S center locking forged alloy wheels with 305/30 ZR 20 performance summer tires in rear
  - Tire Pressure Monitoring System (TPMS)
  - Tire sealing compound and electric compressor
  - Rear axle steering
  - Electromechanical power steering with variable steering ratio and steering impulse
  - MacPherson strut suspension with anti-roll bar at front
  - LSA multi-link suspension with anti-roll bar at rear
  - Porsche Stability Management (PSM) with ABS, ASR, ABD and EDTC as well as pre-filling of brake system and brake assist
  - Porsche Active Suspension Management (PASM) with ride height lowered by 10 mm (0.39 in.)
  - Porsche Dynamic Chassis Control (PDCC)
- 

### Brakes

- Porsche Ceramic Composite Brake (PCCB)
  - 6-piston aluminum fixed monobloc calipers (front) and 4-piston aluminum fixed monobloc calipers (rear)
  - Brake discs with 410 mm diameter (front) and 390 mm (rear), all discs internally ventilated and cross-drilled
  - Anti-lock Braking System (ABS) - integrated in PSM
  - Pad wear sensor on every brake pad
  - Brake calipers in Yellow
  - Electric parking brake
- 

### Body

- Cabriolet (2+2) with wide 911 Turbo body
  - Intelligent lightweight construction with aluminum-steel composite
  - Electrically automated cabriolet roof with integrated magnesium elements and a fixed glass rear window (operable up to approx. 30 mph)
  - Fully galvanized, lightweight shell
  - Automatically extending 3-level rear spoiler with adjustable tilt feature
  - Front fascia with integrated cooling air intakes and automatically retractable 3-level front spoiler
  - Underbody paneling
  - PORSCHE and 911 Turbo S logotype on rear lid with chrome-colored finish
  - Aluminum luggage compartment lid, front fenders, doors, roof panel, rear lid as well as other elements of the bodysell
  - Fuel Cap with Aluminum Look Finish
  - Door brakes with 3 rest positions
  - Water-repellent coating on door windows
  - Grey top tint on windscreen
- 

### Electrical Systems

- Power windows with one-touch operation and door seal protection
- Rain-sensing windshield wipers with aerodynamic wiper blades, 2 wiper speeds, and adjustable intermittent wipe

**PORSCHE**

### **Standard equipment (continued)**

- Electrically adjustable and heated side mirrors on door panels
  - ParkAssist (front and rear) with reversing camera and acoustic proximity warning
  - Heated rear glass window
  - Porsche Communication Management\* (PCM) including Connect Plus module featuring online navigation, mobile phone preparation, audio interface, Apple CarPlay™, and wireless internet access
  - Porsche Car Connect\* including Carfinder, Remote Vehicle Status, Remote Services, and Porsche Vehicle Tracking System (PVTs)
  - Audio interfaces: CD/DVD drive, 11 GB internal jukebox storage, 2 USB slots and 2 SD card slots
  - Universal audio interface (AUX-IN, USB, iPod®) in the glove compartment for connection of external audio sources, operated through external device or on PCM (depending on device and connection used)
  - BOSE® Surround Sound System featuring 12 speakers and 555 Watt output
  - SiriusXM® Satellite Radio (with 3-month trial) and HD Radio Receiver
  - Bluetooth® hands-free mobile phone connection, using Hands Free Profile (HFP)
  - HomeLink® programmable garage door opener
  - Interior lighting with variable dimming
  - Non-dimmable reading, orientation, ignition lock, and vanity mirror lighting in LED, as well as incandescent lighting in front footwell, glove compartment, luggage compartment, and exit lighting
  - Three 12-volt plugs (passenger side footwell, glove compartment, enclosed center console storage compartment)
  - Power release buttons for front and rear lids
  - Cruise control
  - \*Some functions may require separate subscriptions or data charges may apply.
- 

### **Lighting Systems**

- LED headlights incl. Porsche Dynamic Light System Plus (PDLS+) and 4-point daytime running lights
  - Separate auxiliary light modules in front fascia with position lights, direction indicators, and side position lights
  - Three-dimensional tail lights incl. back-up light, rear fog light, and turn signals as well as the high-level third brake light and license plate illumination in LED
  - Reflectors integrated in rear fascia
  - Driving light assistant (auto on/off) with automatic welcome home lighting
- 

### **Instruments**

- Integrated cluster of 5 round instruments
  - Analog gauges for engine speed, vehicle speed, oil temperature, oil pressure, coolant temperature, and fuel level
  - Central tachometer and high-resolution 4.6-inch TFT color display with trip computer functions, vehicle settings menu, navigation, radio, and telephone display, illuminated in white
  - Instrument dials in black with chrome-colored outer rings
  - Rev counter with silver-colored trim ring and illuminated "turbo S" logo
- 

### **Safety and Security**

- Full-size airbags for driver and front passenger
- Knee airbag for driver and front passenger
- Porsche Side Impact Protection System (POSIP), side impact protection in the doors, thorax airbags integrated in the side bolsters of the seats, head airbags integrated in door panels

**PORSCHE**

### **Standard equipment (continued)**

- Three-point automatic seatbelts, with buckle on seat
  - Seat belt pretensioners and force limiters
  - LATCH child seat mounting system with top tethers on rear seats
  - Remote central door locking incl. release for luggage compartment lid
  - Engine immobilizer and alarm system with radar-based interior surveillance
  - Automatically deploying supplemental safety bars
  - New Vehicle Limited Warranty for 4 years from original in-service date or 50,000 total vehicle miles, whichever occurs first
  - Porsche Roadside Assistance for the duration of the New Vehicle Limited Warranty
  - Limited Warranty Against Corrosion Perforation for 12 years from original in-service date without mileage limitation
- 

### **Climate Control Systems**

- 2-zone automatic climate control with separate temperature controls for driver and front passenger side, automatic air circulation control incl. air quality sensor, and residual heat function
  - Active carbon filter
  - Green tinted heat-insulating glass
- 

### **Interior**

- Adaptive Sport Seats Plus (18-way) with electrical adjustment of all seat functions incl. side bolsters and memory package
  - Integrated headrests in front seats
  - Split-folding rear seat backrests
  - Additional storage behind rear seat backrests
  - GT Sport Steering wheel with shift paddles and electric fore/aft and height adjustment (360 mm)
  - Leather interior with seat centers, side bolsters, and headrests upholstered in grained leather
  - Steering wheel rim, gear selector, door handles, door armrests, door paneling, center console storage compartment cover, and seat back cover in smooth-finish leather
  - Sport Seats Plus backrest shells in leather
  - Interior trim components in Carbon Fiber (dashboard decorative trim, center console trim, and door panel trim)
  - Dual cupholders integrated behind decorative dashboard trim above glove compartment
  - Model logotype badge in front of gear selector trim surround
  - Rooflining in black fabric
  - Large lockable glove compartment
  - Storage compartments in each door
  - Elevated center console with strip for switches, open storage compartment and a closed storage compartment with a 12-volt outlet
  - Floor mats
  - "turbo S" logo on the door entry guards
- 

### **Luggage Compartment**

- Luggage compartment volume (front): 4.06 cu. ft.
- Luggage compartment volume (rear seats up): 5.65 cu. ft.
- Luggage compartment volume (rear seats folded): 9.18 cu. ft.
