#### STANDARD FEATURES

#### Package

- Driver Alert Package

This package includes safety-alert technologies designed to help the driver prevent a collision:

- Lane Departure Warning – alerts the driver when the truck is moving out of its lane without activating a turn signal
- Forward Collision Alert – warns the driver when the truck is rapidly approaching another vehicle in front
- Safety Alert Seat – vibrates the driver's seat cushion to alert the driver when the truck is moving out of its lane without activating a turn signal or when the truck is rapidly approaching another vehicle in front
- Front and Rear Park Assist – help the driver when parking to gauge the distance to a stationary object
- This package requires heated and cooled driver and front passenger seating, front bucket seats and perforated leather-appointed seat trim on Crew Cab™ models

#### Mechanical

- Pickup box
- Vortec® 6.0L Variable Valve Timing V8 SFI engine
  - E85-capable<sup>1</sup> engine is the standard workhorse for the Sierra Denali
  - 360 hp @ 5400 rpm and 380 lb-ft of torque @ 4200 rpm with the fleetside pickup box
  - Variable Valve Timing (VVT) optimizes high-end power and low-end torque

<sup>1</sup> E85 is a blend of 85 percent ethanol and 15 percent regular gasoline. Go to [www.gmc.com](http://www.gmc.com) and search E85 for more information about E85 as an alternative fuel.

- Heavy-duty 6-speed electronically controlled automatic transmission
  - Overdrive gear for smooth, efficient operation
  - Tow/Haul mode and Auto Grade Braking that reduce the amount of conventional braking needed while towing or traveling downhill to help reduce brake wear

- Cruise control that maintains a set speed up and down grades, even when towing a heavy trailer in mountainous terrain (works with Tow/Haul mode and Auto Grade Braking)
- Requires the Vortec® 6.0L V8 SFI engine or the 6.0L V8 SFI Gaseous Compressed Natural Gas (CNG) engine
- 4.10 rear axle ratio (gas engine) Requires Vortec 6.0L V8 SFI engine.

#### Standard Suspension Package

Designed to maintain handling and ride quality while towing a trailer or carrying a load, this suspension package includes:

- 51 mm twin tube shock absorbers
- 33 mm front stabilizer bar
- 9500-lb. GVWR<sup>1</sup>
  - Provides the power to get the job done
  - Requires the available Vortec® 6.0L V8 SFI engine
  - On Crew Cab™ models, this feature requires the available short box

<sup>1</sup> When properly equipped; includes weight of vehicle, passengers, cargo and equipment.

- High-capacity air cleaner Thicker construction helps to trap more dirt before it can enter the air intake.
- Electronic shift transfer case with rotary dial controls Shift smoothly between drive settings to handle a variety of road conditions:
  - 2WD High for most on-road and highway situations
  - 4WD High for snowy or wet roads when added traction is needed
  - 4WD Low for deep sand, mud or snow to provide maximum torque to all 4 wheels
  - Neutral
  - Requires 4WD models
- Automatic locking rear differential No other competitor in Sierra's class offers an available fully automatic locking rear differential:

- The Eaton® Locker senses a difference in wheel speed of approximately 100 rpm
- It locks to turn both rear wheels in unison for added traction
- Four wheel drive
- External engine oil cooler
  - Heavy-duty air-to-oil cooler
  - Integral to driver-side of radiator tank
- External transmission oil cooler Heavy-duty air-to-oil cooler.
- Battery, heavy-duty 720 cold-cranking amps/80 Amp-hr, maintenance-free with rundown protection and retained accessory power
- 150-amp alternator
  - Efficiently handles the electrical demands of a heavy-duty truck
  - Ensures the power you need for quick, sure starts
- Trailering Equipment

Trailering Package for automatic transmission includes:

- Trailering hitch platform 2.5" with a 2.0" insert for HD
- 7-wire harness with independent fused trailering circuits mated to a 7-way sealed connector to hook up parking lamps, backup lamps, right and left turn signals, an electric brake lead, battery and a ground
- The trailer connector also includes the 4-way for use on trailers without brakes - park, brake/turn lamps
- Trailer brake controller on 2500HD and 3500HD models
- A heavy-duty automatic locking rear differential
- Integrated trailer brake controller Available trailer brake controller:
  - Integrated with the antilock brake system (ABS)
  - Helps provide immediate and measured brake force signaling to electric-controlled trailer brake systems
  - No requirement for external or aftermarket brake control systems
- Frame, fully-boxed, hydroformed front section
- Recovery hooks - front Frame-mounted, Black.

- Underbody shields Frame-mounted shields including a front underbody shield that starts from behind the front bumper and runs to the first cross-member, protecting the front underbody, oil pan, differential case and transfer case.
- Four upper cargo box tie-downs The truck bed includes 4 movable upper cargo tie-downs that can be repositioned to accommodate oversized or tall cargo.
- Steering, Recirculating Ball with smart flow power steering system
- Digital Steering Assist
- 4-wheel antilock, 4-wheel disc brakes
  - Power-assisted heavy-duty brake system offers confident stopping power even under heavy payloads or when towing
  - Disc brakes at all 4 wheels reduce heat buildup and brake fade, maintaining braking performance
  - Antilock brakes are designed to help reduce wheel lockup and help maintain steering during hard braking on most slippery surfaces
- Exhaust, aluminized stainless-steel muffler and tailpipe

### Interior

- Audio system, 8" Diagonal Color Touch Screen Navigation with IntelliLink<sup>1</sup>, AM/FM/SiriusXM, HD Radio with USB<sup>2</sup> ports, auxiliary jack This technologically advanced audio system includes navigation capabilities and uses the large, 8" Diagonal Color Touch Screen to display routes and maps.
  - Compatible smartphone integration
  - An 8" Diagonal Color Touch Screen that is integrated with the 4.2" cluster display to help minimize driver distractions
  - Gesture recognition that allows users to navigate the 8" Diagonal Color Touch Screen menus by flinging, clicking and dragging, or swiping
  - Wireless Bluetooth<sup>®3</sup> streaming audio for music and most phones
  - Voice-activated technology for radio and phone featuring Android Auto<sup>4,5™</sup> and Apple CarPlay<sup>4,6™</sup> capability for compatible phone
  - Pandora<sup>®</sup> Internet radio for a variety of music option

<sup>1</sup> IntelliLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone and USB connectivity for some devices.

<sup>2</sup> Not compatible with all devices

<sup>3</sup> Go to (<https://www.my.gmc.com/learn>) [www.my.gmc.com/learn](http://www.my.gmc.com/learn) for phone compatibility information.

<sup>4</sup> Requires compatible smartphone and data plan rates apply.

<sup>5</sup> Android Auto™ is provided by Google and is subject to Google's terms and privacy policy. For Android Auto support see <https://support.google.com/androidauto> (<http://support.google.com/androidauto>) for more information. Google may change or suspend availability at any time. - HD radio  
Included with the standard audio system on Denali.

- Bose® sound system
    - The premium Bose® audio system features 6 speakers plus subwoofer located throughout the cabin for rich, clear acoustics
    - 7-speaker system with subwoofer when ordered with bucket seats
  - Bluetooth for phone, personal cell phone connectivity to vehicle audio system
  - OnStar® 4G LTE and built-in Wi-Fi® hotspot<sup>1</sup>
    - Connect to the Internet at 4G LTE speeds
    - Includes OnStar Data Trial for 3 months or 3GB (whichever comes first)
- <sup>1</sup> Available 4G LTE Wi-Fi requires compatible mobile device, active OnStar service and data plan. Visit [www.onstar.com](http://www.onstar.com) (<http://www.onstar.com>) for details and system limitations.
- Wireless charging Included with bucket seats.
  - Front full-feature leather-appointed bucket seats These luxurious leather-appointed bucket seats offer personalized comfort for the driver and front passenger. The seats feature:
    - Heated seat cushions and seatbacks
    - 10-way power driver and front passenger seat adjusters, including 2-way power lumbar control
    - A 2-position driver memory
    - Adjustable head restraints
    - Floor console
    - Storage pockets
  - Seat trim, Perforated leather-appointed
  - Heated and vented seating
    - Provides year-round, personalized comfort for the driver and front seat passenger
    - Requires front bucket seats and perforated leather-appointed seat trims
  - Safety Alert Seat
  - Rear 60/40 split folding bench seat (folds up) The seat features a child seat top tether anchor.
  - Manual Tilt-Wheel™ and telescoping steering column
    - Allows the driver to adjust the steering wheel up or down, and the steering column forward or back
    - Accommodates both tall and short drivers and enables them to find a comfortable, safe driving position
    - Provides extra comfort when entering or exiting the truck
  - Heated steering wheel
    - Leather-wrapped heated steering wheel is a welcome comfort in cool weather
    - Steering-wheel mounted controls for cruise and audio help keep the driver's eyes on the road
  - Steering wheel audio controls Allow the driver to easily operate the audio system and manage most search functions of compatible, connected MP3 players and other media devices.
  - Floor console
    - Keep valuables and smaller items secure
    - Includes reconfigurable feature with moveable cup holders, cell phone storage, power cord management and file holder capacity
    - Included with front bucket seats
  - Color-keyed carpet Standard on all models.
  - Carpeted front and rear floor mats Standard on all models.
  - Instrumentation, 6-gauge cluster featuring speedometer, fuel level, engine temperature, tachometer, voltage and oil pressure
  - Driver Information Center • Customizable driver display
    - 8" multi-color and configurable
  - Power windows
 

Include:

    - Express-Down and Express-Up features on driver window
    - Express-Down feature on all other windows
  - Power rear sliding window with rear defogger The window switch is conveniently located in the overhead console for easy 1-touch operation.
  - Power door locks Standard on Crew Cab and Double Cab models.
  - Cruise control

- This standard feature enables you to maintain a minimum speed of approximately 25 mph or greater
- Includes set and resume speed buttons conveniently located on the steering wheel
- Theft-deterrent system Included with the remote vehicle starter system.
- Power-adjustable pedals Adjustable accelerator and brake pedals allow the driver to set at the most comfortable position.
- Remote vehicle starter system Standard on all models.
- Remote Keyless Entry Locks and unlocks doors remotely, allowing quicker access and enhancing personal security.
- Universal Home Remote Programs up to 3 separate remote systems.
- Dual-zone automatic climate control air conditioning
  - Offers individual temperature settings for driver and right front passenger
  - Dial in desired temperature preferences as conditions change
- Rear-window defogger Electric, standard on all models.
- 110-volt AC power outlet
  - 3-prong household-style outlet
  - Convenient for charging and powering mobile devices and games
- Inside rearview auto-dimming mirror
  - Helps reduce the glare from the headlamps of the vehicle behind you
  - Indicator light illuminates each time the ignition is turned to start to let you know the feature is active
- Illuminated visor vanity mirrors Includes driver and front passenger illuminated vanity mirror.
- Assist handle, front passenger and driver on A-pillars

#### Exterior

- 20" chromed cast aluminum wheels Available on Sierra 2500HD Denali.
- LT265/60R20E all-terrain, blackwall tires
- Wheel, 18" x 8" (45.7 cm x 20.3 cm) full-size, steel spare. Spare not included with (ZW9) pickup box delete unless a spare tire is ordered. (Requires 18" or 20" wheels and tires.)
- Tire carrier lock
  - Helps keep spare tire secure
  - Utilizes same key as door and ignition
- Rear wheelhouse liners These liners help protect your truck's rear wheelhouse area from damage caused by dirt, rocks, mud, road salt and the weather.
- Front bumper, body-color Standard on Denali.
- CornerStep rear chrome bumper The CornerStep feature at each end of the rear bumper helps make it easier to get into and out of the pickup bed, even with the tailgate open.
- CornerStep, rear body-color bumper Standard on Denali.
- 6" rectangular chromed tubular, assist steps
  - 6" tubular stepallows for easier entry and exit
  - Features corrosion-resistant chrome finish and Black, non-slip traction pads positioned below the doors
- Moldings, bodyside, Chrome Standard on Denali.
- Headlamps, high intensity discharge (HID) projector-beam with GMC signature LED lighting
- Lamps, cargo area, cab mounted with switch on center switch bank
- Cargo box LED lighting Bright LED lighting mounted in the cargo box:
  - Provides light to find cargo in the bed when a tonneau cover is in place
  - Offers a handy alternative when a flashlight isn't available
- Fog lamps
  - Thin profile LED fog lamps on 1500 Denali
  - Halogen front fog lamps on 2500HD and 3500HD Denali
  - Front fog lamps help provide illumination of the roadway in foggy or low-visibility conditions
- Outside heated power-adjustable, power-folding mirrors
  - Built-in turn signal indicators and puddle lamps

- Driver's side spotter mirror and auto-dimming
- Chrome cap
- Mirror caps, chrome
- Deep-tinted glass
  - Provides additional protection from sun and glare
  - Requires the Convenience Package
- Chrome door handles Provide a bright chrome accent on each door.
- Capless fuel fill (Requires gas engine and (E63) pickup box.)
- Tailgate and bed rail protection caps, top
- Remote locking tailgate

Includes:

- A remote tailgate lock and unlock feature located on the key fob
- Manual unlock is still available using the same key as the ignition and door
- EZ-Lift and Lower tailgate EZ-Lift and Lower Tailgate reduces effort required to lift/lower tailgate. All Sierra tailgates now include a tailgate lock, utilizing the same key as ignition and door.
- Spray-on bedliner
  - Includes Denali logo on cab bed wall
  - Provides a Black, textured, non-skid surface that helps minimize cargo shifting
  - Covers the entire bed interior surface below side rails, including the tailgate, front box top rail, gauge hole plugs and lower tie-down loops
  - Chemically bonded, the sprayed-on liner permanently bonds to the truck bed, providing a watertight seal

#### Safety

- StabiliTrak, stability control system with Proactive Roll Avoidance and traction control includes electronic trailer sway control and hill start assist
- Daytime Running Lamps with automatic exterior lamp control
- Thorax side-impact air bags<sup>1</sup> and head curtain side-impact air bags<sup>1</sup> for front and rear outboard seating positions
  - Frontal air bags<sup>1</sup> work with the safety belt system to help reduce the risk of injury to the driver and right-front passenger in the event of an impact
  - Side-impact air bags<sup>1</sup> inflate on the struck side of the vehicle to provide additional occupant protection in side impacts

<sup>1</sup> Always use safety belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. See the Owner's Manual for more information.

- Front and Rear Park Assist This system becomes active when the vehicle is driven at low speeds:
  - Uses sensors at the front and rear to detect stationary objects near the vehicle
  - Issues warnings when the vehicle gets too close to an object
  - Helps the driver feel more confident when maneuvering into or out of a parking spot
- Rear Vision Camera This available feature allows you to use the audio system display to see certain stationary objects located behind your vehicle while traveling in reverse at low speeds.
- Forward collision alert  
Standard on Denali.
- Lane departure warning  
Standard on Denali.
- Tire Pressure Monitoring System
  - Tire Pressure Monitoring System
  - Alerts the driver to a low tire pressure condition in 1 or more tires
  - Uses sensors mounted at each wheel to monitor tire air pressure (does not apply to spare tire)
  - Transmits the tire pressure reading to the Driver Information Center (DIC)
  - Illuminates a warning light and sends a message via the DIC to inform the driver of the low tire pressure

- **Teen Driver** This is a configurable feature that lets you activate customizable vehicle settings associated with a key fob, to encourage safe driving behavior. It can limit certain vehicle features, and it prevents certain safety systems from being turned off. An in-vehicle report gives you information on your teen's driving habits and helps you to continue to coach your new driver.
- **OnStar<sup>®1</sup> Guidance Plan for 3 months** Includes Automatic Crash Response, Stolen Vehicle Assistance, Roadside Assistance, Turn-by-Turn Navigation, Advanced Diagnostics and more (trial excludes Hands-Free Calling).

Requires AM/FM stereo with MP3 player, AM/FM stereo with MP3 player and USB port<sup>2</sup>, AM/FM stereo with CD/MP3 player or Color Touch Navigation radio with IntelliLink<sup>3</sup>. <sup>1</sup> Visit [www.onstar.com](http://www.onstar.com) (<http://www.onstar.com>) for coverage map, details and system limitations. Services may vary by model and conditions. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data.

<sup>2</sup> Not compatible with all devices.

<sup>3</sup> Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices.

Price less cash offers. Tax, title, license and dealer fees extra. Not available with lease, special finance and some other offers. See participating dealer for details. MSRP excluding installation, taxes and wheel components (if applicable). Dealer prices may vary. Some accessories may require purchase of additional equipment and/or services. See your dealer for details.

<sup>†</sup> MSRP excludes tax, title, license and dealer fees. See dealer for details.
