YOUR PAINT

Kingfisher

A stylish smoky blue, Kingfisher is a metallic paint choice that highlights the beautiful curves of any Bentley model. Like all Bentley paint choices it is oven-cured and then finished with a 'mirror finish' polish.

YOUR HIDE

Linen and Newmarket Tan split

Hand-picked from herds that graze high above sea level in Northern Europe, all leather hides used to upholster the Bentayga are naturally free of the insect bites that could otherwise leave blemishes in the leather.

YOUR VENEER

Burr Walnut

Burr Walnut completes its productive life at a grand 80 years. Walnut Burr is highly valued for its natural black colouring and intricate grain. In a rare and random natural occurrence, the characteristic burrs are formed as tiny branches grow in abundance near the root producing an exquisite effect.

YOUR WHEELS

22" Five Spoke Directional Alloy Wheel - Polished

The largest wheels ever made available on a production Bentley, these wheels are machined from a high-strength aluminium forging for optimum strength and lightness. The wheels are handed, ensuring the spokes always face the same direction on both sides of the car.
