#### PRICE DISCLOSURE

The Build Your Own MINI experience is an ongoing development and expansion. Actual prices and available options are subject to change and may vary from the Summary listing.

\*MSRP does not include destination and handling charge of \$850.00 and excludes license, registration, taxes and options and labor to install. Certain features may be optional. Actual price determined by your authorized MINI dealer.

\*\*All prices are suggested retail prices and are subject to change. Actual prices may vary and depend upon MINI Dealer. Prices do not include installation or painting, if required. Prices exclude taxes and/or shipping and handling charges. Check with your authorized MINI Dealer for complete accuracy of information and availability.

+There's always the chance that we've made an unintentional mistake with our numbers and calculations, so just be aware that this web site is not the final word on all pricing.

All the illustrations and specifications contained in this web site are based on the latest product information available at the time of posting. MINI, a division of BMW of North America, LLC reserves the right to make changes

at any time, without notice, in colors, materials, and equipment.
