

BENTLEY

PRESENTING
YOUR BENTLEY FLYING
SPUR W12 S

YOUR PAINT

Aquamarine

A striking, vibrant shade of blue, Aquamarine was introduced for the launch of the Continental GT Convertible.

YOUR HIDE

Linen and Newmarket Tan split

The finest soft-touch leather graces virtually every interior surface that isn't metal or wood within a Bentley. Each hide is selected by hand from herds raised in northern Europe where cooler weather means fewer insects, so fewer blemishes.

YOUR VENEER

Dark Fiddleback Eucalyptus

Contemporary straight grained veneer that gives a modern appearance to the cabin. Dark Fiddleback Eucalyptus takes its name from the origin of the craftsmanship of string instruments.

YOUR WHEELS

21" Directional Sports Alloy Wheel - Black

This sporting finish is only available for the Flying Spur W12 S in the Flying Spur range. The technical directional design is 'handed' so that the wheel appears to have the same direction of rotation on each side of the car. For improved performance the wheel is forged from a solid blank, rather than cast, ensuring a lighter weight can be achieved whilst retaining its strength.

YOUR DETAILS

EECIQBOY

The Bentley Commissioning Code allows you to retrieve your configuration at a later time.
Simply select Retrieve from the menu and enter your Code to continue your commissioning experience.
